SURREY CHAPEL.

SURREY CHAPEL was founded by the Rev. Rowland Hill, who opened it for Divine Worship on June 8th, 1783, and addressed the congregation from the words, "We preach Christ crucified." Mr. Hill was the Pastor of the Church until his death, on April 11th, 1833, a period of nearly fifty years. The pulpit was then supplied by various ministers, until on September 4th, 1836, the Rev. James Sherman commenced his pastorate by preaching from the words, "I will go in the strength of the Lord God; I will make mention of thy righteousness, even of thine only." In May, 1854, he resigned the pastorate, in consequence of enfeebled health, and took leave of his people in a discourse on the text, "Finally, brethren, pray for us, that the Word of the Lord may have free course and be glorified." (2 Thess. iii. 1.) Mr. Sherman was succeeded by the Rev. Newman Hall, of Hull, who preached his first sermon as Pastor on Sunday Morning, July 2, 1854, from the words, "Who is sufficient for these things?" (2 Cor. ii. 16), and, "Brethren, pray for us." (1 Thess. v. 25.)

THE CHRISTIAN'S SOLEMN COVENANT AND BOND OF UNION.

RENEWED AND PUBLICLY RATIFIED AT SURREY CHAPEL BY THE COMMUNICANTS OF THE LORD'S SUPPER, ON SUNDAY MORNING, JAN. 5TH, 1873.

On this first Sabbath of the new year, and assembled round the table of our Lord, we do hereby, before God and one another, renew our solemn Covenant.

We confess that we are guilty, ruined sinners, deserving the righteous punishment of God. But we declare our confidence in his mercy, as revealed by Jesus Christ, who is "the propitiation for our

~~P.1009~~
p2262

sins, and not for ours only, but also for the sins of the whole world." We trust in that atonement; we plead the merits of the Redeemer. By Him, the only way to the Father, we draw near, with penitent yet confiding hearts, saying—"God be merciful to me a sinner." And we desire anew to yield up ourselves entirely to our Tri-une Jehovah. We would look up with filial love, and say—"Our Father who art in Heaven—hallowed be thy name!" We would live as his adopted children, trusting, obeying, rejoicing in Him. We yield ourselves to the Son of God. We would be taught by Him as our Prophet; we rely on his sacrifice as our Priest; we would obey his commands as our King. For this we seek the aid of the Holy Spirit, the giver and preserver of the life of godliness in the soul; and we declare our sincere purpose to give heed to his counsels—not wilfully to grieve Him—but daily, through the year, to cherish his presence in our hearts.

We declare that we are not our own, but bought with a price. We desire to present ourselves—spirit, soul and body—time, property, influence—a living sacrifice unto God. We will endeavour in all things to prove that we love Him, by obeying his commandments. We will endeavour in private and public, in our households, in our business, in daily life, in all places, in all companies, to act as becometh the Gospel—to promote true religion in the hearts of others, to help the needy, comfort the sorrowful, and to diminish vice, ungodliness, and misery in the world, "looking for that blessed hope, the glorious appearing of our great God and Saviour, Jesus Christ." And knowing, from numerous past failures, how unable we are of ourselves to do anything that is good, we do earnestly implore the help of Him, without whom we can do nothing—but who has said, "My grace is sufficient for you."

In the name of the Father, and of the Son, and of the Holy Ghost, to this our solemn Covenant we do now severally and unitedly assent—with a solemn and a hearty—*Amen.*

Motto for each year during the present Pastorate.

MATERNAL ASSOCIATIONS.

The object of these associations is the promotion of individual and domestic piety, by awakening in the

consciences of the members a deeper sense of their responsibility as mothers, and of the great importance of training up their children in the way they should go. To accomplish these purposes, the associations meet once a month, or oftener, as circumstances may allow: the time is spent in conversation, and in reading the Scriptures and books on subjects calculated to instruct mothers in the best method of training their children, and maintaining order and harmony in their families.

The Morning Class, conducted by Mrs. F. Jones, meets in the Vestry, at eleven o'clock, on the last Tuesday in every month.

The Branch Associations are held as follows:—That in connection with the School of Surrey Chapel meets in the Library, on the first Monday in every month, at half-past two o'clock—conducted by Mrs. Jones.

Mission Hall, Bath-street, London-road, last Monday in every month, at half-past two o'clock—conducted by Mrs. C. Ruck.

It is recommended that all mothers residing in the neighbourhood be affectionately invited to attend.

BAPTISM

Is administered on Sunday, according to special announcement.

Members of the Church may bring their children without previous application; but other persons who desire to have their children baptized, are requested to apply to the Minister.

THE LORD'S SUPPER

Is celebrated on the first Sunday in every month at noon, and on the third Sunday afternoon at three o'clock. Accredited Members of any section of the Christian Church are invited to participate in these services. Also on the last Sunday Evenings in June and December, when all persons who are "looking unto Jesus" are invited, though they may not be Members of Churches.

CHURCH MEMBERSHIP.

Persons desiring to become Members of the Church are requested to communicate with the Pastor, in the Vestry, on Monday Evening, from five to seven o'clock. Those whose engagements prevent them from doing so, may see the Pastor, in the Vestry, after service on Sunday. The names of candidates are announced to the Church at the Prayer Meeting, a week previous to their admission. Should anything in their conduct be inconsistent with a Christian profession, information is requested to be given, privately, to any of the Officers of the Church. If no objection be made, the candidates are publicly welcomed into the fellowship of the Church, on the Monday Evening preceding the Communion Sabbath; while those who prefer to receive their Communion Cards privately, may obtain them from the Pastor, in the Vestry.

The Communion Card is divided into twelve parts, according to the months of the year; and that portion which contains the name of the current month is to be delivered up at each celebration of the ordinance. Should this be neglected, the Member will be considered as absent on that occasion. If the card be at any time lost or forgotten, a slip of paper, having on it the Member's registered name and number, may be substituted. After unavoidable absence, the Member is requested to bring, at the next attendance, the portion of card not used, with the cause of absence written on the back; every change of residence should be notified on the back of the ticket. Members are requested to return the tops of their cards, with their correct addresses thereon, early in December, and to apply for their new cards prior to the first Sunday in January. By this plan the names and residences of the Members become known to the Pastor and Elders, and are copied into the register of the Church once every year. The Elders are also not only enabled to preserve an exact record of the attendance of the Members at the Lord's Supper, but become acquainted

with the cases of those who, from illness or other causes, are absent.

Members removing to other Churches, are specially requested to apply for a letter of transfer through their new Minister, within six months of discontinuing attendance at Surrey Chapel.

MARRIAGES.

The Chapel is licensed for the celebration of marriages. Information may be obtained of the Assistant Minister, Parsonage House, adjoining the Chapel, and of the Registrar, Mr. Greenwood, 61, Nelson-square, Blackfriars-road.

PEWS AND SITTINGS

In the gallery of the Chapel, may be engaged or renewed at any quarter of the year—the sittings in the area are renewable at Christmas and Midsummer —for which purpose attendance is given by the Trustees on Monday and Wednesday evenings, when application for sittings may also be made. Seats not occupied by the seat-holders at the beginning of the psalms are appropriated to the use of strangers. The assistance of the regular attendants is affectionately solicited, to secure as much accommodation as possible to the large concourse of persons who attend to hear the Word of God.

The Surrey Chapel Prayer Book consists of portions of the English Liturgy, arranged in the order in which they are read, with the Canticles marked for chanting. That, and The Surrey Chapel Hymn Book, may be obtained of Mr. Drake, the Chapel-keeper, 44, Charlotte-street.

VISITATION OF THE SICK.

Sick Members of the Church and Congregation, desirous of being visited, are requested to send their names in writing, to the Assistant Minister, at the Parsonage House, or either of the Elders. "Is any sick among you? let him *call* for the elders of the Church, and let them pray over him."

A General Meeting of the Office-bearers, Committees, and Members of the various Societies connected with Surrey Chapel, was held in Surrey Chapel Rooms, on 27th January, and following Mondays.

Rev. NEWMAN HALL in the Chair.

After singing and prayer, the Chairman stated that the object of the meeting was to lay before the constituents of the Societies an audited account of the last year's receipts and expenditure, to re-appoint Officers and Committees, to receive from the Secretaries a statement as to the condition of the Societies they represent, with a view to revive any that may be declining, and to fill up vacancies, either of Officers or Members of Committee, where such are needed.

The financial reports of the various Societies were then presented and passed, and the Officers and Committees appointed for the ensuing year.

The following resolutions were adopted at the first General Meeting, March 20th, 1856 :—

1. That a book be published early in each year (each Society bearing its quota of expense), containing a yearly Report of the Church and its various Institutions.

2. That the accounts of the Societies be balanced and audited up to the 31st December in each year.

3. That an Annual Meeting, similiar to the present, be held early in each year.

4. That the business of each Society be conducted by a Committee, appointed by the General Meeting, with power to add to their number, whose attendance shall be marked by a return to be sent in at the end of the year. Three to form a quorum.

5. That the Elders of the Church be *ex-officio* members of all the Committees, affording opportunities occasionally to visit and encourage their brethren.

Missionary Nurse—Mrs. McLaren.

In presenting to the Subscribers and friends of the Surrey Chapel Benevolent Society the Eighty-eighth Annual Report, the Committee have again to record with gratitude the goodness of God in enabling them during the year to relieve much distress among the sick poor of the neighbourhood.

The Committee have nothing new or startling to report, but they believe that many of the cases of extreme distress which have come under their notice would have been left without assistance had it not been for the aid they have been able to render. In some cases the need for help was urgent, and the visits paid were very useful, not only in relieving the physical distress of the sufferers, but in imparting spiritual instruction and consolation.

The object which the founders of the Society had

in view has been steadily kept in mind by the Committee. Relief has been afforded without reference to sect or party; and every case recommended to the Committee during the year has received attention.

In distributing the funds of the Society, great care has been taken to do so judiciously. The Committee are always anxious that those only should receive the benefits afforded by the Society who are quite unable to provide what they require for themselves; and also to avoid being imposed upon by improper characters. The aid rendered has been most gratefully received.

The Visitors improve the opportunity which they have while administering temporal relief, to benefit those whom they visit spiritually: and some who were utterly ignorant of the way of salvation, have been led to the Saviour, while others have been comforted and strengthened in the Faith. A twofold blessing has thus resulted from the visits paid to the home of sickness, causing both the visited and Visitors to rejoice.

The Committee feel that no higher or nobler work could have been put into their hands than that which has been handed down to them by faithful servants of Christ who have gone before, and who have left a bright example of devoted labour on behalf of the sick poor. They are continually reminded that their own time for labour must soon end, and are anxious to discharge diligently and faithfully the duties devolving upon them.

During the past year one fellow-labourer has been taken to his rest. The humble, unostentatious piety, and earnest labours, for many years, of Mr. John Sparks, will not soon be forgotten, either by those who had the benefit of his visits or those with whom he was associated in this portion of the Master's vineyard, and who are still left to prosecute the work in which he delighted.

Since the last Report was prepared 517 cases have been visited, and £271 expended in their relief—making a total of about 83,476 cases visited, and

£38,862 distributed by the Society since its formation; besides blankets, flannel, coal, &c. In addition to this the Committee have been enabled, through the kindness of Mrs. Gladstone, Lady Victoria Buxton, and the Committee of the Metropolitan Convalescent Institution, to send many poor people into the country for change of air.

NURSING AUXILIARY.

This portion of the Society's work has now been in operation about three years and a half, and the Superintendent, in making her third Annual Report, states:—"I can only express, as I have done before, my entire satisfaction at the manner in which Nurse performs her duties, and the love which her patients entertain towards her. She has made about 1800 visits to the sick poor during the year—making their beds, dressing their wounds, giving them nourishment, &c., &c.; and while attending to their bodily wants has taken every opportunity of exhorting them to look to Jesus, and of reading his Word to them. In this way her visits have been blessed to many."

The Committee would here acknowledge with thankfulness the receipt of £50 from the residuary legatee of a lady who had intended to leave that sum for the purposes of this Auxiliary, but who died before the codicil to her will was completed.

The Committee feel that it should be unnecessary for them to urge the Congregation to continue their generous support. The claims of the Society upon the followers of Christ must be at once admitted. To follow Christ's example is both the first duty and highest privilege of "all who profess and call themselves Christians." He ministered when on earth to the physical and spiritual necessities of men. His tender and compassionate heart was ever drawn towards the sick and distressed. His loving hand was always extended for their help. No appeal to Him was ever made in vain. His dis-

ciples should imitate his example, obey his precepts, and take care of his poor; and remember how He said, "It is more blessed to give than to receive." Then there will be no lack of funds to carry on the Society, which has existed for 88 years, and proved itself to be one of the most useful of the many Societies connected with Surrey Chapel.

Subscriptions or Donations will be thankfully received on behalf of the Society by W. Webb, Esq., after any of the services at Surrey Chapel; by the Treasurer or Hon. Secretary; or by Mr. J. Aylen, the Collector; and Contributions of the undermentioned articles will be gladly received and acknowledged by the Committee, if forwarded to the Surrey Chapel Parsonage, Blackfriars-road, addressed to the "*Secretary of the Benevolent Society:*"—Arrowroot, Cocoa, Corn Flour, Groats, Meat, Mustard, Oatmeal, Rice, Sago, Soap, Sugar, Tea, and any others of a similar nature, useful in sick rooms; also left-off clothing, old linen for bandages, flannel, calico, &c., &c., and articles of bedding for lending.

The Trustees of the Society's Property and the Elders of the Church *ex-officio*.

It has been an eventful year in the history of the Centenary Education Fund.

Early in the year the Committee had notice to give up possession of four of the rooms in which daily instruction had been afforded by this Committee to the children of the poor for many years.

The Committee were thankful that for some years they had been the instrument of affording daily instruction to about 1000 children in Southwark and Lambeth; but they were not unwilling to hand over their Schools to the School Board of London for two reasons:—

1. That the children would receive a better education than the funds of the Centenary Committee could provide.
2. The money thus saved would enable the Committee to assist more effectually other objects still in view.

The Committee have therefore now only one Day School to support, which is effectually carried on in Bond-street, Commercial-road.

SURREY CHAPEL CHRISTIAN INSTRUCTION SOCIETY.

Secretary—Mr. S. J. Earl, 133, Kennington-park-rd., S.E.

Superintendent of Districts—Mr. Goodman, 50, Nelson-square, Blackfriars-road, S.E.

Superintendent of Room in New Farm House, Mint—Mr. J. McDougall, Leadenhall-street.

Committee—Messrs. Bird, Edwards, Eadisson, Foster, McDougall, Grisold, Matthews, Sheldrick, Taylor and Thwaites, also the Elders of the Church *ex-officio*.

The Committee are glad to report that the Visitors of the various districts have not in the least slackened their efforts during the past year. About 500 families have been regularly visited, and the aggregate number of visits has been about 12,000. Very encouraging have been the interviews which our friends have had with the poor, the destitute, the sick and the dying, as well as with those in health and in better circumstances. The sorrowful have been led to feel that they have not been left without a kind, sympathising friend in the world, and to all, the Gospel has been faithfully preached. The number of permanent Visitors during the year has been 13; but the Committee lament that, through increasing years and infirmity, one of their most efficient and indefatigable Visitors has been compelled to resign the interesting employment in which she has been so long and so usefully engaged. They trust that some other kind friend will come forward to fulfil her lack of service, so that the district which is

now vacated may not be altogether abandoned. The number of tracts distributed has been 19,000, 7,500 of which have been circulated on the loan system, together with 950 "Sunday at Homes." The Visitors have been encouraged by their ready reception at the homes of the poor, and they believe that good has been done. Several are considered to be in a hopeful condition, and one has joined the Church.

The large room hired at the Farm House has been considered so necessary to the successful operations of the Society that, though forming a large item in the expenditure, the Committee have resolved upon renting it for another year, in the hope that the Church and Congregation will, by their liberality, enable them to discharge their liabilities. Here the Visitors meet every Sunday evening for prayer, and for making arrangements for the preaching stations; religious services are held two evenings in the week, and there is a Sunday School for very poor children, whose parents being chiefly Irish, they are not allowed to attend our school in Harrow-street. About 80 children are in attendance at this school, which is open morning and afternoon, and they are giving satisfactory evidence of improvement in the knowledge of the Word of God. During the past year, we have had to give up our services in two of the stations, in consequence of the houses being under repair; but other doors have been opened for us, two other stations have been added, one a very large house in which upwards of 70 persons have the Scriptures read and expounded to them every Sunday evening; other houses can be added when we have labourers to occupy them. "The harvest truly is great, pray ye the Lord that He send more labourers." Fifty copies of the "British Workman" are distributed with various tracts every month. The Superintendent would gladly welcome any Christian friend who would assist in this work if they would meet him at the Farm House (Upper Room), Harrow-street, Mint, at 6.30, any Sunday evening.

Committee and Collectors—Miss Ash and Mrs. Heffer.

The Committee, in presenting this their 30th Annual Report, have much pleasure in stating that the operations of this important Mission during the past year have been of a most encouraging nature, and fraught with highly satisfactory results. The blessing of God has been richly vouchsafed on the labours of their two truly zealous Missionaries, Mr. Stone and Mr. Botting.

Mr. Stone has hitherto been deprived of a Mission

Hall, and having to conduct his services in the open air and in all weather, has consequently laboured amidst much trial and difficulty. The Committee are glad to report that a commodious and well-furnished hall has just been erected, situate in White-street, Borough, and that it will be opened for evangelistic purposes early in February.

Mr. Botting's success at King's-court Chapel has been of such a nature that the Committee felt bound to erect and furnish an additional hall for his district, such hall is situate in King's-bench-walk, Wellington-street, and is now open on each Lord's Day, also on every evening during the week, for educational and spiritual instruction, and already with results most gratifying.

The Committee, while deeply lamenting their loss of the presence and active services of their late Treasurer, Mr. Rider, have pleasure in stating that Mr. Andrew Dunn has consented to occupy the position so worthily held for many years by their late departed friend and Christian philanthropist.

The following summary shows but a portion of the important operations of this Mission during the past year:—

Families Visited	8,541
Aggregate Attendance at In-door Meetings	12,506
Persons who have joined this and other Churches	26
Temperance Meetings	128

Left-off wearing apparel is earnestly solicited, and may be sent to the Missionaries, or left at Mr. Drake's, 44, Charlotte-street, Blackfriars-road, or at the residence of the Secretary.

This Society assists poor married women during the period of their confinement, and is entirely dependent on voluntary subscriptions. This year, 62 cases have received the aid this Society affords in money, coals, soap, clothing for the infant, and the loan of suitable linen for the mother. The members of the Committee meet monthly, in turn, at each other's houses, for the purpose of making up the different articles of clothing for the use of the poor women; they also visit the cases to afford such religious counsel as the circumstances of each require, and can testify to the gratitude with which the assistance of the Society is received in that which is so particularly a time of need. In consequence of deaths and removals, this valuable Society has lost many of its friends and supporters. The Committee earnestly solicit the sympathy of those who have it in their power to aid them. Every subscriber of half a guinea is entitled to recommend one case annually, and one case additional at the rate of every half-guinea subscribed.

The object of this Society is to furnish, at half-price, the most necessary and useful articles of female clothing; and many needy but decent families have been thereby enabled, by their small savings, to procure comfortable apparel. The present number of subscribers is very small, and the Committee earnestly solicit increased help.

1. The business of this Society is conducted by a Committee of six members, in addition to the President and Treasurer.

2. A meeting of the Committee is held on the third Friday in every month, at twelve o'clock (excepting the months of July, August and September), in the Surrey Chapel Rooms; when articles of clothing are supplied, at half-price, to such applicants as come provided with tickets of recommendation, signed by a subscriber.

3. Every subscriber of 7s. and upwards, annually, is constituted a member of this Society. A donation of five guineas constitutes a Life Subscriber, who is entitled, annually, to two tickets of recommendation, value 6s. each.

4. Every member subscribing one guinea, annually, is entitled to three tickets of recommendation. A subscriber of 14s. is entitled to two tickets, annually, and a subscriber of 7s. to one ticket for such subscription. One or more members of the Committee undertake the purchasing of the materials.

Miss Longmore. Miss Putley. Mrs. C. Ruck, Jun.
Miss Moreland. Miss Russell.

The Rev. Rowland Hill was one of the founders of the London Missionary Society, and ever took a most zealous interest in its operations and success. One of the Annual Sermons on behalf of the Society from its commencement (a period of 71 years), has been preached in Surrey Chapel. The Auxiliary is supported by subscriptions and donations, and by the proceeds of missionary boxes. The co-operation of the young in the circulation of, and contribution to these boxes, is one means of supporting the Society; and the Committee affectionately request the aid of the young people of the Congregation, by increased exertions, to assist them in the missionary cause. Subscriptions may be sent in Postage Stamps, Post Office Orders, or otherwise, to the Treasurer or Secretary.

SCHOOL OF INDUSTRY.—Established 1808.

Treasurer—Mrs. J. R. Glanvill, 165, Kennington-park-road, S.E.

Secretary—Mrs. Russell, 49, Kennington-park-road, S.E.

Committee—Miss Biggs, Mrs. Frederick, Mrs. Jolliffe, Mrs. Masters, Mrs. Newton, Miss Russell and Miss Sheppard.

This School has been established sixty-five years. It originally clothed and educated twenty-eight poor girls, but the Committee have increased the number to fifty, who are now only partially clothed.

The girls are instructed in reading, writing, arithmetic and plain needlework, by a pious mistress, whose aim is to lead their youthful minds to the Saviour, and to render them useful in their station of life.

The School is greatly appreciated in the neighbourhood—every month several girls are refused. Although more than fifty cannot be accommodated, from want of room, yet the benefits of the School might be greatly extended in the way of clothing, &c., if subscribers were increased.

The names of Annual Subscribers will be thankfully received by Mrs. Glanvill, the Treasurer, 165, Kennington-park-road; or by Mrs. Russell, the Secretary, 49, Kennington-park-road.

SOUTHWARK SUNDAY SCHOOL SOCIETY.

President—Rev. Newman Hall, LL.B.

Treasurer—Joseph Moreland, Esq.

Secretaries—Messrs. Hadland and Peck.

Collector—Mr. R. Allen, 80, St. George's-road, S.E.

Committee—Messrs. Buncombe, Carpenter, Cranfield, Cryer, Elliott, Goodman, Grainger, Newton, Tyler, Visitors of Society and Representatives of the Schools, Trustees of the Society's Property and Elders of the Church *ex-officio*.

Subscriptions and donations will be thankfully received by the officers of the Society, and by the Collector, Mr. Richard Allen, 80, St. George's-road, Southwark, S.E.

The Committee desire, in presenting another Annual Report, to thank God and take courage that, although so many new institutions for benefiting the community have been formed, this Society maintains its ground in public favour and support, showing, it is hoped, that the Church of Christ and the public generally appreciate the gratuitous labours of those who toil on from year to year in the honourable work of the Sunday School. For the soul to be without the knowledge of the Word of God is not good, and the present condition of neighbouring nations shows the ill effects of neglecting to teach the Holy Scriptures to those who are growing up to manhood.

The first two Ragged Schools, one in the Mint, and the other in Kent-street, Southwark, were opened by the venerated Thomas Cranfield at the close of the last century, and incorporated into this Society in the year 1799, at a meeting held in Surrey Chapel, presided over by the Rev. Rowland Hill.

The scholars were of the most abject and neglected class, and were taught in private rooms for some years until better accommodation could be found. The schools have been carried on in the new School Rooms without interruption until the present day; and under the blessing of God, have tended greatly to improve the character and habits of the inhabitants.

Three of the School Rooms are leasehold property, and the time is not distant when funds will be needful to purchase the same. Legacies for this purpose are desirable: while annual subscriptions to meet the current expenses of each year are much needed. Those friends who remove into more salubrious neighbourhoods, and who therefore can no longer teach in the schools, will, it is hoped, not fail to subscribe to the funds of the Society, that the work may not be crippled for lack of money to meet the unavoidable expenses attendant on thirteen schools (besides four Mission Schools), containing five thousand scholars.

The Committee are very thankful to those kind friends who year by year so kindly assist in raising the New Year's Offering.

The following subscriptions are included in the "New Year Offerings":—

SOUTHWARK MISSION FOR THE ELEVATION OF THE WORKING CLASSES.

President—Rev. Newman Hall, LL.B.

Treasurer—Mr. Edwin Farra, 46, Newgate-street, E.C.

Secretary—Mr. T. E. Butters, 4, Crescent, Belvidere-road, S.E.

Committee—Mr. Ash, Mr. R. Bowman, Mr. J. Cryer, Mr. S. Earl, Mr. Jones, Mr. C. Ruck, Jun., and the Elders of the Church *ex-officio*.

Missionary—Mr. Wm. Harrison, 20, Merrick-square, Newington.

In humble response to the divine command: "Go ye into the highways, and compel them to come in, that my house may be filled," the work of the Southwark Mission has been continued another year. So long as our throughfares teem with the careless, the ignorant and the depraved, the Church of Christ has this Mission pressed upon her; and, if she would be faithful to her trust, must not cease thus to proclaim the glad tidings of salvation. When the preacher is in earnest there is no lack of eager listeners, and our Missionary has been much encouraged by the large numbers, as well as by the marked attention of his promiscuous audiences. On Sunday Mornings, in the New-cut, he has addressed as many as three or four hundred at a time, evidently of the labouring class, and rarely without some token of success; also in the Chapel-yard, and on the site for the new church, large gatherings have listened to the story of the

cross, often till a late hour, and not a few by their responsive utterances have evidenced their deep interest in the truths they have heard. The services at the Mission Hall have been well attended, and the divine blessing has accompanied them. In several instances, those once alienated from God by wicked works are now humble followers of the Redeemer, and united to his visible Church. The Missionary labours in season and out of season, advising, rebuking, exhorting, if by any means he may be instrumental in bringing the lost and the perishing to the living and life-giving Saviour.

Subjoined is a summary of the labours of the past year :—

Home Visits	1,851
Visits to the Sick	938
Opportunities afforded for Reading and Prayer	811
Dying Beds Attended	33
Open Air Meetings	183
Aggregate Attendance	39,900
In-door Meetings	228
Aggregate Attendance	17,340

Giving a weekly average in approximate numbers of—

Home Visits	35
Visits to the Sick	18
Opportunities for Reading and Prayer	15
Numbers brought within the sound of the Gospel	1,100

The attendance at the Monday Evening Popular Lectures was very encouraging at the beginning of the year, but the inclemency of the weather during the months of November and December operated unfavourably. The Committee hope a growing appreciation of these lectures, combining, as they do, instruction with recreation will have some effect in

counteracting a taste for amusements of a questionable character.

The Sunday School operations have been successfully carried on by a band of 14 Teachers without any expense to the Mission. The average afternoon attendance of children is 120. It is with much regret the Committee have to report the unavoidable resignation of the Superintendent, Mr. Jabez Jones, whose valuable services, though not lost to the Mission, will be greatly missed in their former sphere of usefulness.

The Temperance movement has resulted in inducing 113 persons to sign the pledge, and the report of the Band of Hope is also very favourable.

The Committee desire to express their sincere thanks to the Organist and Choir of Surrey Chapel, to the gratuitous Lecturers, the Subscribers and all who in any way have kindly assisted them, especially to their beloved President, whose untiring energy has, as heretofore, contributed largely to the success of the work. Its importance becomes more apparent from day to day.

Spite of all our efforts, thousands of listless idlers still throng our streets, indifferent to the claims of religion in any form, never entering a place of worship, and as ignorant of the way of salvation as though their lot was cast in a heathen land. The harvest is plenteous, but though the labourers are few they are not left without witness of the power committed to their trust. Hence, while urging the claims of the Mission on their Christian brethren, the Committee would record their gratitude to God for the evidence He is pleased to give that his Word, faithfully spoken, does not return to Him void.

Treasurer.

Mr. J. Maxwell, Banner-street, St. Luke's.

Mr. A. J. Glasspool, 3, Thetford-place, New Kent-road, S.E.

COMMITTEE.

Ladies—Miss E. Spinks, Miss A. Spinks, Mrs. Thwaites, Miss A. Thwaites, Miss Stiff, Miss E. Ford.

Gentlemen—Mr. Ayres, Mr. T. Harris, Mr. Hooper, Mr. Harrison, Mr. Maxwell, Mr. Pearson, Mr. Raison, Mr. Sharp, Mr. Stone, Mr. Thorniloe, Mr. Winter.

The Committee have much pleasure in stating that the Band of Hope has been attended by large numbers of children during the past year. The average attendance during the winter months has been between 300 and 350, and in the summer months it has hardly ever been less than 200.

At the Aggregate Meeting of the Bands of Hope of South London, a member of our Band gained the first prize for reciting. The Band of Hope Union offering prizes for essays from children on the "Ad-

vantages of total abstinence to the young," several members from the various Bands of Hope of South London competed, the first prize being carried off by a member of our Band.

The Committee, desirous of ascertaining whether the children remained faithful to the pledge, have visited many of the parents; the result has proved that the children are very zealous in keeping the pledge, and that the parents are deeply grateful for the efforts of the Committee.

The children subscribe one halfpenny per week, which is expended in a Tea Meeting at the end of three-quarters of the year, and in an Excursion in the summer.

The children's Excursion to Hampton Court was attended by over 250 children, and that of the adults to Eastbourne by over 800 persons.

The Weekly Temperance Meetings, held on Friday Evenings, after the Band of Hope, have been well attended.

The attendance at the Monthly Meetings, held in Surrey Chapel, on the last Monday in every month, has greatly increased.

The Committee, desirous of spreading Temperance literature, have distributed a large quantity of Temperance Tracts; and instead of the usual distribution of prizes from the Christmas tree, at the Annual Festival, a large number of instructive books were presented to the children.

The Committee cannot but regret that so few members of the Church aid the Temperance work, either by subscriptions or personal help; and they would earnestly ask for annual subscribers, and the attendance of friends at the Band of Hope meetings. Especially would they urge this, since the number of meetings has been nearly doubled, and the attendance beyond all expectations.

The Committee would invite special attention to the following announcements:—

Adult Temperance Meetings are held, in the Chapel,

on the last Monday in every month, at 8.30; and in the School Room, every Friday Evening, at 8.15.

The Band of Hope meets every Friday Evening, at 6.30, in the School Room, where any parents or friends will be heartily welcome.

304 children and 174 adults have signed the following pledge during the year, making in all, since the commencement of the Society, in 1855, 5,407 children and 6,759 adults :—

"Believing that the drinking customs of our country are producing much crime, poverty, disease and misery, we agree that we will abstain from all intoxicating beverages, and try to induce others to do the same."

Any person signing the above pledge, and paying one penny, or upwards, will receive a card, constituting him a member of the Society. Signatures are received by the Secretary, at the Public Meetings, and after any of the Public Services, or at any convenient time or place.
